How to Register

Go to:
www.BuildingPermits.Oregon.gov

Click:
"I want to register for an ePermitting account"

New Users
If you are a new user, you must [register](#) for an ePermitting account.

[Register Now »](#)

Read and agree to the Terms and Conditions:

Account Registration

To register for an ePermitting account, please provide the following:

- A user name and password
- Personal and contact information
- License information where applicable

You must also review and accept the terms below.

ONLINE PURCHASING TERMS AND CONDITIONS

Cities and counties that participate in the ePermitting system do so voluntarily and retain individual discretion regarding the specific ePermitting services offered and ultimately provided within the system for both Basic and Full Service options. For information on participating Basic and Full Service cities and counties, [click here](#).

The ePermitting system may be used to purchase only those permits

☒ I have read and agree to the terms and conditions above.

Frequent Questions

Why can't I schedule an inspection on my permit?

The following jurisdictions only offer "Basic Services," which means you can apply for your permit online but you have to contact them directly to schedule inspections:

Ashland	Hillsboro	Portland	Beaverton
Pendleton	LaGrande	Salem	Clackamas Co
Yamhill Co	Medford	Troutdale	Columbia Co
Corvallis	Oregon City	Wilsonville	Washington Co
Union Co			

Why isn't my jurisdiction on ePermitting?

ePermitting is a voluntary program that costs your city or county nothing. So ask them to offer ePermitting in your area.

Why doesn't the address come up when I search for it?

First, make sure that your search was broad enough, enter the exact street number and 3 letters of the street name.

For example:

Searching for: 178500 E Mayflower Street
Enter: 178500 May

If it's still not there, contact your jurisdiction. They may not be on ePermitting or it may be a new address.
