WORK SESSION ~ "I LOVE U GUYS", 6:00 p.m.

Mayor Burge opened the Work Session at 6:01 p.m.

Present: Mayor Scott Burge, Council President Patrick Kessi, Councilor Megan Greisen, Councilor Natalie Sanders, Councilor Josh Poling, Councilor Joel Haugen, Councilor Branden Lesowske, City Manager Michael Sykes, Legal Counsel Peter Watts, City Recorder Susan Reeves, City Planner Laurie Oliver, Assistant to City Manager Alexandra Rains, and Courtney Vaughn with Columbia County Spotlight.

Police Chief Norm Miller explained tonight he is going to go through a presentation that talks about the standard response protocol, including lockdown, lockout, evacuate, and shelter procedures, that the Scappoose School District follows as a participating agency in the "I Love U Guys" program. This presentation will share how emergency responders, particularly police officers, work with the schools so that emergency responders are familiar with the training and expectations of students and school staff during a crisis. He explained the "I Love U Guys" Foundation works in the arena of school safety. Working with schools and first responders, they developed the Standard Response Protocol that gives students, educators, administrators, school staff, and first responders the same language and training to use so that everyone has the same expectations of behavior during a crisis. Recently, the Foundation has also worked to create a reunification plan so that schools have a blueprint for reuniting students with their parents after a crisis while maintaining accountability and accommodating mental health demands.
