

Measure 5-275 was approved by the voters on November 5, 2019. This measure will generate approximately \$300,000 per year to help maintain our streets and sidewalks. The City is very excited about the opportunity to improve maintenance of our streets and sidewalks to make them safer for all of our citizens. We sincerely appreciate the vote of confidence and support we received from our citizens and look forward to addressing the backlog of maintenance and repairs needed all around our community. Thank you for your support, it makes all the difference in the world.

This is a friendly reminder that the Scappoose Community Survey is open until December 20, 2019. The full survey results will be available in the February newsletter. If you have not yet taken the anonymous survey, please visit ci.scappoose.or.us/community/page/scappoose-community-survey for a link to the online survey. If you prefer to complete a paper version, copies are available at City Hall. The City would like to thank those who have completed the survey – your responses provide us with valuable feedback as to how we can better serve you!
