Water Conservation information

Well everyone, it's that time of year when the sun comes out and temperatures rise. With that comes an increase in water consumption. The City of Scappoose is asking for your help to conserve water this summer. Water is unfortunately not limitless. You can do your part to help us by performing a few easy steps.

- Washing your car on your lawn to reduce watering or take your car to a car wash that recycles the water.
- Wash only full loads of dishes or laundry.
- Avoid overwatering of vegetation and lawns.
- Set sprinklers to not spray on concrete or asphalt.
- Water during evening or morning hours.
- Reduce shower times.
- Inspect your home for pipe, faucet and toilet leaks.

We appreciate your efforts in helping us to conserve our resource.

Sincerely,
Scappoose Public Works

Watts House Information

The Watts House is open on Tuesdays, Thursdays and Saturdays from 10:00 a.m. until 2:00 p.m. The Scappoose Historical Society invites anyone who would like to share their historic memorabilia of early families and businesses to contact Karen Holmberg, 503-970-3920. Assistance in creating new historical displays and information available to the public will be very much appreciated.

Come join us on August 25 at noon at the Watts House for our Historical Harvest Luncheon. For reservations please call Elaine at 503-543-2234. Room is very limited. We will be featuring a menu reflective of what would have been prepared while traveling along the Oregon Trail. There will be an Oregon Trail display, along with a collection of Oregon Trail recipes and the stories of people who served them. The cost is \$20 per person.
