National Night Out

Scappoose Police Citizen's Academy Information ~ The next Police Citizen's Academy class starts in September 2018. This is a tuition free, ten-week program designed to introduce members of the community to the Scappoose Police Department. The Academy is designed to teach citizens about the philosophy, policies, and guiding principles of law enforcement and ethical conduct governing police services in our community. Students will receive classroom instruction by personnel from the Scappoose Police Department. Once training is completed, students are given the opportunity to complete an eight-hour ride-along with a police officer. This ride-along is usually an eye-opening experience for many students as they get to see the real day-to-day activities of the police.

Student Requirements: Applicants must be at least 18 years of age. Applicants can not have any felony convictions. Applicants can not have any misdemeanor or D.W.I. arrests within the last three years prior to application date. Applicants must pass a background check conducted by the Scappoose Police Department.
