Come help celebrate our new park.**

The Scappoose Police Department presents
National Night Out
August 6, 2019 from 5pm-8pm at Heritage Park
Join us for free hamburgers

The City raised wastewater rates by 7% to take affect on July 16, 2019. This increase was necessary to help begin to pay back the \$6 million loan the City received from DEQ to refurbish the Wastewater Treatment Plant. The City also raised stormwater fees by \$2 a month. This increase will help pay for stormwater improvements needed around the City to address flooding issues and will assist with the cost to operate and maintain the City's new street sweeper. Additionally, the fee increase will allow the City to develop a leaf pickup program.

If anyone has questions, please feel free to call City Manager Michael Sykes at 503-543-7146.
Thank you!

Scappoose Public Library presents Movies in Heritage Park every Friday in August.

Bring your blanket and stadium chair.

Water Conservation information

Well everyone, it's that time of year when the sun comes out and temperatures rise. With that comes an increase in water consumption. The City of Scappoose is asking for your help to conserve water this summer. Water is unfortunately not limitless. You can do your part to help us by performing a few easy steps.

- Washing your car on your lawn to reduce watering or take your car to a car wash that recycles the water.
- Wash only full loads of dishes or laundry.
- Avoid overwatering of vegetation and lawns.
- Set sprinklers to not spray on concrete or asphalt.
- Water during evening or morning hours.
- Reduce shower times.
- Inspect your home for pipe, faucet and toilet leaks.

We appreciate your efforts in helping us to conserve our resource.
Sincerely,
Scappoose Public Works
