SCAPPOOSE Oregon
AUGUST 2021 NEWSLETTER

The City of Scappoose Utility Rate Increases for the 2021-22 fiscal year.

With the rising costs of materials and supplies necessary to operate our Water Treatment Facilities and the need for infrastructure replacement, the City of Scappoose has raised water rates by 2.5%.

Wastewater rates will increase by 7% to fund the Wastewater Treatment Plant Project and Stormwater rates will increase by 1.6% based on the ENR 20 city average CCI per Resolution No. 17-16.

If you have any questions, please feel free to call City Hall at 503-543-7146.

Thank you!

Effective July 1, 2021, all City offices opened to the public resuming normal business hours, pursuant to Governor Brown's Executive Order 21-15 lifting state-mandated physical distancing, mask requirements, and capacity restrictions.

Public Meetings - All public meetings will be open for in-person attendance.

Water Conservation

It's that time of year when the sun comes out and temperatures rise. With that comes increased water use. Water is unfortunately not limitless. The City of Scappoose is asking for your help to conserve water this summer.

You can help by taking a few easy steps:

• Limit car washing

• Wash only full loads of dishes or laundry

• Avoid over watering of gardens and lawns

• Set sprinklers to not spray on concrete or asphalt

• Water during the morning or evening

• Reduce shower time

• Inspect your home for pipe, faucet, and toilet leaks

• Consider installing high-efficiency faucets

Did You Know?

• A 10-minute shower uses 15 - 20 gallons of water

• One drip per second wastes 3,000 gallons of water annually

• Dishwashers use a fraction of the water than hand washing

• On average, 30% of household water is flushed down the toilet

• Visit www.epa.gov/watersense for more about saving water

Small Town, Big Community

Scappoose 100-Year Celebration, 1921-2021
August 13 & 14, 2021
Veterans and Heritage Parks

The City of Scappoose Centennial Committee would like to invite everyone to the City of Scappoose's 100-year birthday celebration on August 13 and 14, 2021. This free community event will encompass all of Veteran's and Heritage Parks and may be the largest community celebration Scappoose has ever experienced. After 18 months of being confined by COVID-19, it's high time for all of us to celebrate our community with our friends, neighbors, and old acquaintances from years past. Scappoose 100 will be a great opportunity to reflect on our past, enjoy our present, and embrace our future.

Scappoose circa 1929

Scappoose incorporated on July 13, 1921 with a population of 151. Located on the Multnomah Channel, 20 miles northwest of Portland, Scappoose derived its name from Skáppus, a nearby Chinookan village.
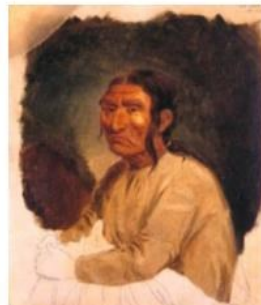

Chinookan Chief Kiesno was the local area's principal Indian leader from 1811 to 1847. In the mid-nineteenth century, Euro-American re-settlers arrived choosing the area for its rich alluvial soil and plentiful fish and game. Over the years, Scappoose transformed from a dispersed frontier community, to a hub for logging operations, to an incorporated city.

In 2021 Scappoose has a population of nearly 7,500, is home to Columbia County's first PCC Campus, is seeing huge development around the Airport, is home to the Oregon Manufacturing Innovation Center (OMIC) and the OMIC Research & Development Center and is known regionally as a gateway to Columbia County. With idyllic scenery, stunning views of four mountains, quick access to gorgeous natural areas, and home to a burgeoning parks system, Scappoose strives for the ideal blend of unburdened rural life and access to urban amenities.

Scappoose 100 will feature live music, a parade, numerous booths at both event locations, kids' games and events, a Cornhole tournament, a Softball tournament, a 1K/6K/10K/Doggy-Fun-Run, a Show-N-Shine car exhibition, and several other activities you won't want to miss! The best part is, it's all free!

The Weiners, Hit Machine, the Hell Cats, Silverhill, and the Rae Gordon Band will be playing at Veterans Park. This event venue will be completed by food vendors, a street fair, and a beer garden ($5 entry), courtesy of the St. Helens Elks Lodge #1999.

Heritage Park will feature live music, "Movies in the Park" both nights of the event, and family activities in the afternoon. Additionally, a history tent displaying the unique treasures relating to Scappoose's past, present, and future. Anyone with any old photos they would like to share or display, please don't hesitate to reach out to the Committee for more information by contacting Isaac Butman at ibutman@cityofscappoose.org .

If you would like more information about the event, including a schedule, to sign up as a vendor or volunteer, or to get connected to events such as the 1K/6K/10K/Doggy-Fun-Run event, or to sign up for the parade, please visit: scappoose100.com/

Mark your calendar and come join us! Celebrate 100-Years of incredible development, progress, and life in this amazing city, participate in one of Columbia County's first in-person gatherings since last year, and take part in the vibrant and extraordinary future of Scappoose!

Scappoose Centennial RUN FOR NEIL

1K Kids Fun Run/Walk
6K Run * 10K Run
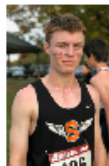

Saturday August 14, 2021

Join us for a one-of-kind run through the parks and hills of Scappoose, Oregon. The 1K route circles Veteran's Park and is suitable for kids and walkers alike. The 6K run/walk is mostly flat, capping with a short hill climb that ends with snow-capped mountain views. The 10K route is the crown jewel. After splitting from the 6K flat portion, it meanders through the wooded hillside of Scappoose, rewarding runners with the final 1K downhill portion with views of Mt Hood, Rainier & St. Helens.

Proceeds from the run will go to the **Neil Hoffmann Memorial Track** project as a legacy to a young man who was passionate about running and dreamed of making his home-town a go-to location for track athletes.

Neil was a dedicated runner who had incredibly big dreams for Scappoose High School's track program as well as the greater community. Track is an all-inclusive sport. This is a direct reflection of Neil, who was kind, thoughtful, and a well respected friend. Neil showed his generosity by being the first to offer help, and the last to leave at the end of a meet. Through his dedication and determination, Neil found great joy and peace while running. This is something he desired for others as well. His dream was to have a facility that would bring athletes and spectators of all ages to a place they could thrive and feel proud to call their own. This project is for all of the Neil's out there who dream of a place where people of all ages and backgrounds can gather and call home.
