

**ADDENDUM NO. 2
TO
RFP NO. 2022-05
2.0 MG Reservoir Engineering Design
ISSUED THIS 19TH DAY OF DECEMBER, 2022**

New additions to the RFP packet are underlined, whereas deletions, if any, are indicated by strikethrough text. All remaining sections and subsections of RFP No. 2022-05 not modified by this Addendum remain unchanged.

Additional documents and reports pertaining to the existing Keys Road Water Treatment Plant and reservoir tanks have been uploaded to a Microsoft Sharepoint website.

Access to the files is **available upon request to Huell Whitehaus at hwhitehaus@cityofscappoose.org or Isaac Butman at ibutman@cityofscappoose.org.**

SECTION 2 – SCOPE OF WORK

2.6 Seismic Analysis – Include analysis of site conditions for siting the new reservoir tank, as well as analysis for the ~~two existing reservoir tanks~~ existing 1.0 MG reservoir tank currently in use, and the treatment plant structure.

SECTION 3 – PROPOSAL FORMAT AND SUBMISSION

To provide a degree of consistency in review of the written proposals, firms are requested to prepare their proposals in the standard format as follows:

- a) **Page limit: 34 (11x17" pages count as two pages for the purposes of the limit)**
- b) **Font size: 11 or 12-point**
