

City of Scappoose Newsletter ~ April 2018

Every year the City holds an Annual Town Meeting to update citizens on what projects have been completed the previous year, what they can expect to see accomplished in the upcoming year, and most importantly, to hear what our citizens value and are concerned about. This helps direct the City Council in forming their goals for the year. The Council Goals then enable the City to develop action plans and budgets for the year so that we can effectively carry out the vision set forth by the community.

This year the Council identified a number of goals for City staff to focus on, some of which include:

- Promote Economic Development Opportunities that Create Local Jobs
- Promote Transportation Improvements that Enhance Community Livability
- Develop a Long Term Comprehensive Community Vision
- Keep Scappoose One of the 5 Safest Communities in Oregon
- Promote and Enhance Parks and Recreation Opportunities
- Address Aging Infrastructure

Some of the notable projects that the City and community partners will be working on this year include bank restoration along the South Scappoose Creek near Veteran's Park, the construction of a new public park on Seely Lane, development of a Friends of Scappoose Parks Organization, developing more community events, the completion of the Wastewater and Water Master Plans, additional water capacity via a new well at the Dutch Canyon well site, improvements to the City's Wastewater Treatment Plant, and a new access road to the OMIC site near West Lane Road.

Please look at our webpage to see the entire list of goals and objectives that Scappoose City Council adopted for this upcoming year, at <http://www.ci.scappoose.or.us/>.

As always, thank you for your continued support and involvement in your community. Remember, together we can make a difference.

Sincerely,

City Manager Michael Sykes

Mark your Calendar

- * City Council meetings on April 2 & 16, at 7:00 pm
- * Planning Commission meeting on April 26, at 7:00 pm
- * Economic Development Committee meeting on April 19, at 12:00 pm
