VOLUNTEER ELECTION FORM

Entity Name: City of Scappoose

Coverage Year: 2009-2010

CIS= ability to provide workers= compensation coverage for volunteers is directly related to each entity=s ability to keep verifiable records of the names and hours worked by participants. Claims adjusters will verify coverage at the time a claim is filed.

(A) Public Safety Volunteers (Code 8411, 8411F, 8411FC)

Column (1) - Using last year=s rosters, estimate the number of volunteer months for each position and enter the total on the appropriate line in Column (1). Some volunteers are not active every month, i.e., one volunteer firefighter may be active five months out of the year, two volunteer firefighters may be active 12 months out of the year, and five volunteer firefighters may be active only one month out of the year. Thus, the number of volunteer firefighter months would be 34 (1 x 5 + 2 x 12 + 5 x 1).

Column (2) - Refer to your Volunteer Resolution before filling out the amounts in Column No. 2 below. Use an assumed monthly wage of no less than \$800 per volunteer per month (regardless if one day or 30 are worked) for contribution payment and calculation of benefits. This assumed monthly wage may be increased at the entity=s discretion in increments of \$100.

(D) Court-Mandated Community Service Workers/Inmates (Code 7720V)

If your entity uses workers from the correctional system (i.e., community service workers, inmates on work release, peer review crews, etc.), it is important to clarify in writing who will provide workers= compensation coverage for these workers prior to work inception. CIS recommends you obtain a Certificate of Coverage for Workers= Compensation from the sentencing court or make arrangements to provide coverage through your own entity. If you are responsible for providing the workers= compensation coverage, be sure to keep monthly time records for these workers and report **them using Oregon minimum hourly wage**. CIS has designated Class Code 7720V for this type of exposure.

(E) All other volunteers (Codes – see below)

Assumed payroll for all other volunteer elections should be computed at **Oregon minimum hourly wage** times actual hours worked and reported in the appropriate NCCI classification code with a suffix "V". Unanticipated volunteer projects or exposure can be added throughout the coverage year (1) by endorsement, (2) with advance notice to CIS, and (3) allowing two weeks for processing. Coverage of this type cannot be backdated.
