FINANCING CONTRACT

Project Name: Scappoose Leak Detection Study

Project Number: S16016

This financing contract ("Contract"), dated as of the date the Contract is fully executed, is made by the State of Oregon, acting by and through the Oregon Infrastructure Finance Authority ("IFA"), and the City of Scappoose ("Recipient") for financing of the project referred to above and described in Exhibit D ("Project"). This Contract becomes effective only when fully signed and approved as required by applicable law. Capitalized terms not defined in section 1 and elsewhere in the body of the Contract have the meanings assigned to them by Exhibit A.

This Contract includes the following exhibits, listed in descending order of precedence for purposes of resolving any conflict between two or more of the parts:

Exhibit A	General Definitions
Exhibit B	Security
Exhibit C	Form of Forgivable Promissory Note
Exhibit D	Project Description; Project Special Condition
Exhibit E	Information Required by 2 CFR § 200.331(a)(1)
Exhibit F	Project Budget

SECTION 1 - KEY TERMS

The following capitalized terms have the meanings assigned below.

Estimated Project Cost: \$20,000.

Forgivable Loan Amount: \$20,000.

Maturity Date: The 4th anniversary of the Repayment Commencement Date.

Note Interest Rate: 1.00% per annum, computed on the basis of a 360-day year, consisting of twelve 30-day months.

Payment Date: December 1.

Project Closeout Deadline: 90 days after the earlier of the Project Completion Date or the Project Completion Deadline.

Project Completion Deadline: 24 months after the date of this Contract.

Repayment Commencement Date: The first Payment Date to occur after the Project Closeout Deadline.

SECTION 2 - FINANCIAL ASSISTANCE

The IFA shall provide Recipient, and Recipient shall accept from IFA, financing for the Project as a non-revolving loan in an aggregate principal amount not to exceed the Forgivable Loan Amount.

"Loan" means the loan described in this section 2.

Notwithstanding the above, the aggregate total of Financing Proceeds disbursed under this Contract cannot exceed the Costs of the Project. If the Project is completed for less than the amount of the Estimated Project Cost, the availability under the Forgivable Note will be reduced accordingly.

SECTION 3 - DISBURSEMENTS

- A. Reimbursement Basis. The Financing Proceeds shall be disbursed to Recipient on an expense reimbursement or costs-incurred basis. The Recipient must submit each disbursement request for the Financing Proceeds on an IFA-provided or IFA-approved disbursement request form (“Disbursement Request”).
- B. Financing Availability. The IFA’s obligation to make, and Recipient’s right to request, disbursements under this Contract terminates on the Project Closeout Deadline.
- C. Payment to Contractors. The IFA, in its sole discretion, may make direct payment to suppliers, contractors and subcontractors and others for sums due them in connection with construction of the Project, instead of reimbursing Recipient for those sums.

SECTION 4 - LOAN PAYMENT; PREPAYMENT; FORGIVENESS

- A. Promise to Pay. The Recipient shall repay the Loan and all amounts due under this Contract and the Note in accordance with their terms. Payments required under this Contract are, without limitation, payable from the sources of repayment described in the Act and this Contract, including but not limited to Exhibit B, and the obligation of Recipient to make all payments is absolute and unconditional. Payments will not be abated, rebated, set-off, reduced, abrogated, terminated, waived, postponed or otherwise modified in any manner whatsoever. Payments cannot remain unpaid, regardless of any contingency, act of God, event or cause whatsoever, including (without limitation) any acts or circumstances that may constitute failure of consideration, eviction or constructive eviction, the taking by eminent domain or destruction of or damage to the Project, commercial frustration of purpose, any change in the laws, rules or regulations of the United States of America or of the State of Oregon or any political subdivision or governmental authority, nor any failure of IFA to perform any agreement, whether express or implied, or any duty, liability, or obligation arising out of or connected with the Project or this Contract, or any rights of set off, recoupment, abatement or counterclaim that Recipient might otherwise have against IFA or any other party or parties; provided further, that payments hereunder will not constitute a waiver of any such rights.
- B. Interest. Interest accrues at the Note Interest Rate on each disbursement from the date of disbursement until the Loan is fully paid. All unpaid interest accrued to the Repayment Commencement Date is (in addition to the first regular installment payment due) payable on the Repayment Commencement Date.
- C. Loan Payments. Starting on the Repayment Commencement Date and then on each succeeding Payment Date, Recipient shall make level installment payments of principal and interest, each payment sufficient to pay the interest accrued to the date of payment and so much of the principal as will fully amortize the Loan by the Maturity Date, on which date the entire outstanding balance of the Loan is due and payable in full.
- D. Loan Prepayments.
 - (1) Mandatory Prepayment. The Recipient shall prepay all or part of the outstanding balance of the Loan as required by this Contract or the Note.
 - (2) Optional Prepayment. The Recipient may prepay all or part of the outstanding balance of the Loan on any day except a Saturday, Sunday, legal holiday or day that banking institutions in Salem, Oregon are closed.

- E. Application of Payments. Regardless of any designation by Recipient, payments and prepayments by Recipient under this Contract or any of the Financing Documents will be applied first to any expenses of IFA, including but not limited to attorneys' fees, then to unpaid accrued interest (in the case of prepayment, on the amount prepaid), then to the principal of the Loan. In the case of a Loan prepayment that does not prepay all the principal of the Loan, IFA will determine, in its sole discretion, the method for how the Loan prepayment will be applied to the outstanding principal payments. A scheduled payment received before the scheduled repayment date will be applied to interest and principal on the scheduled repayment date, rather than on the day such payment is received.
- F. Forgiveness. Subject to satisfaction by Recipient of any special conditions in Exhibit B, if Recipient completes the Project by the Project Completion Deadline in accordance with the terms of this Contract, and provided that no Event of Default has occurred, IFA shall, 90 days after the Project Completion Date, forgive repayment of the Forgivable Loan Amount and any interest accrued thereon and cancel the Forgivable Note. The Forgivable Loan Amount and any interest forgiven remain subject to the requirements of OAR 123-049-0050, which survive payment of the Loan.

SECTION 5 - CONDITIONS PRECEDENT

- A. Conditions Precedent to IFA's Obligations. The IFA's obligations are subject to the receipt of the following items, in form and substance satisfactory to IFA and its Counsel:
- (1) This Contract duly signed by an authorized officer of Recipient.
 - (2) The Forgivable Note duly signed by an authorized officer of Recipient.

 - (5) The Recipient has delivered documentation satisfactory to IFA that, in addition to the Financing Proceeds, Recipient has available or has obtained binding commitments for all funds necessary to complete the Project.
 - (6) Any conditions to disbursement elsewhere in this Contract or in the other Financing Documents are met.

SECTION 6 - USE OF FINANCIAL ASSISTANCE

- A. Use of Proceeds. The Recipient shall use the Financing Proceeds only for the activities described in Exhibit D and according to the budget in Exhibit E. The Recipient may not transfer Financing Proceeds among line items in the budget without the prior written consent of IFA.
- B. Costs of the Project. The Recipient shall apply the Financing Proceeds to the Costs of the Project in accordance with the Act and Oregon law, as applicable. Financing Proceeds cannot be used for costs in excess of one hundred percent (100%) of the total Costs of the Project and cannot be used for pre-Award Costs of the Project, unless permitted by Exhibit D.
- C. Costs Paid for by Others. The Recipient may not use any of the Financing Proceeds to cover costs to be paid for by other financing for the Project from another State of Oregon agency or any third party.

SECTION 7 - REPRESENTATIONS AND WARRANTIES OF RECIPIENT

The Recipient represents and warrants to IFA:

- A. Estimated Project Cost, Funds for Repayment. A reasonable estimate of the Costs of the Project is shown in section 1, and the Project is fully funded. The Recipient will have adequate funds available to repay the Loan, and the Maturity Date does not exceed the usable life of the Project.
- B. Organization and Authority.
 - (1) The Recipient (a) is a Municipality under the Act, and validly organized and existing under the laws of the State of Oregon and (b) owns a community water system, as defined in the Act and OAR 123-049-0010.
 - (2) The Recipient has all necessary right, power and authority under its organizational documents and under Oregon law to (a) execute and deliver this Contract and the other Financing Documents, (b) incur and perform its obligations under this Contract and the other Financing Documents, and (c) borrow and receive financing for the Project.
 - (3) This Contract, the Note and the other Financing Documents executed and delivered by Recipient have been authorized by an ordinance, order or resolution of Recipient's governing body, and voter approval, if necessary, that was adopted in accordance with applicable law and requirements for filing public notices and holding public meetings.
 - (4) This Contract and the other Financing Documents have been duly executed by Recipient, and when executed by IFA, are legal, valid and binding, and enforceable in accordance with their terms.
- C. Full Disclosure. The Recipient has disclosed in writing to IFA all facts that materially adversely affect the Project, or the ability of Recipient to make all payments and perform all obligations required by this Contract, the Note and the other Financing Documents. The Recipient has made no false statements of fact, nor has it omitted information necessary to prevent any statements from being misleading. The information contained in this Contract and the other Financing Documents is true and accurate in all respects.
- D. Pending Litigation. The Recipient has disclosed in writing to IFA all proceedings pending (or to the knowledge of Recipient, threatened) against or affecting Recipient, in any court or before any governmental authority or arbitration board or tribunal, that, if adversely determined, would materially adversely affect the Project or the ability of Recipient to make all payments and perform all obligations required by this Contract, the Note and the other Financing Documents.

E. No Defaults.

- (1) No Defaults or Events of Default exist or occur upon authorization, execution or delivery of this Contract or any of the Financing Documents.
- (2) The Recipient has not violated, and has not received notice of any claimed violation of, any agreement or instrument to which it is a party or by which the Project or its property may be bound, that would materially adversely affect the Project or the ability of Recipient to make all payments and perform all obligations required by this Contract, the Note and the other Financing Documents.

F. Compliance with Existing Agreements and Applicable Law. The authorization and execution of, and the performance of all obligations required by, this Contract and the other Financing Documents will not: (i) cause a breach of any agreement, indenture, mortgage, deed of trust, or other instrument, to which Recipient is a party or by which the Project or any of its property or assets may be bound; (ii) cause the creation or imposition of any third party lien, charge or encumbrance upon any property or asset of Recipient; (iii) violate any provision of the charter or other document pursuant to which Recipient was organized or established; or (iv) violate any laws, regulations, ordinances, resolutions, or court orders related to Recipient, the Project or its properties or operations.

SECTION 8 - COVENANTS OF RECIPIENT

The Recipient covenants as follows:

- A. Notice of Adverse Change. The Recipient shall promptly notify IFA of any adverse change in the activities, prospects or condition (financial or otherwise) of Recipient or the Project related to the ability of Recipient to make all payments and perform all obligations required by this Contract, the Note or the other Financing Documents.
- B. Compliance with Laws. The Recipient shall comply with all applicable laws, rules, regulations and orders of any court or governmental authority that relate to this Contract or the other Financing Documents, and the operation of the water system. In particular, but without limitation, Recipient shall comply with the following, as applicable:
 - (1) State procurement regulations found in the Oregon Public Contracting Code, ORS chapters 279A, 279B and 279C.
 - (2) SAFE DRINKING WATER IN OREGON: Program Guidelines & Applicant's Handbook for the Federally Funded Safe Drinking Water Revolving Fund & Drinking Water Protection Loan Fund (March 2015), as amended from time to time ("Safe Drinking Water Handbook"), including but not limited to the Federal Crosscutting Requirements described in the Safe Drinking Water Handbook.
 - (3) Lobbying. The Recipient acknowledges and agrees that the Costs of the Project will not include any Lobbying costs or expenses incurred by Recipient or any person on behalf of Recipient, and that Recipient will comply with federal restrictions on lobbying at 40 C.F.R. Part 34 and will not request payment or reimbursement for Lobbying costs and expenses. "Lobbying" means influencing or attempting to influence a member, officer or employee of a governmental agency or legislature in connection with the awarding of a government contract, the making of a government grant or loan or the entering into of a cooperative agreement with such governmental entity or the extension, continuation, renewal, amendment or modification of any of the above.

- (4) Federal Audit Requirements. The Loan is federal financial assistance, and the Catalog of Federal Domestic Assistance (“CFDA”) number and title is “66.468, Capitalization Grants for Drinking Water State Revolving Funds.” Recipient is a sub-recipient.

(a) If Recipient receives federal funds in excess of \$750,000 in the Recipient’s fiscal year, it is subject to audit conducted in accordance with the provisions of 2 CFR part 200, subpart F. Recipient, if subject to this requirement, shall at its own expense submit to IFA a copy of, or electronic link to, its annual audit subject to this requirement covering the funds expended under this Contract and shall submit or cause to be submitted to IFA the annual audit of any subrecipient(s), contractor(s), or subcontractor(s) of Recipient responsible for the financial management of funds received under this Contract.

(b) Audit costs for audits not required in accordance with 2 CFR part 200, subpart F are unallowable. If Recipient did not expend \$750,000 or more in Federal funds in its fiscal year, but contracted with a certified public accountant to perform an audit, costs for performance of that audit shall not be charged to the funds received under this Contract.

(c) Recipient shall save, protect and hold harmless IFA from the cost of any audits or special investigations performed by the Federal awarding agency or any federal agency with respect to the funds expended under this Contract. Recipient acknowledges and agrees that any audit costs incurred by Recipient as a result of allegations of fraud, waste or abuse are ineligible for reimbursement under this or any other agreement between Recipient and the State of Oregon.

- (5) Disadvantaged Business Enterprises. The Recipient will implement the good faith efforts for solicitation and contracting with Disadvantaged Business Enterprises (“DBE”) described in the Safe Drinking Water Handbook. This applies to all solicitation and contracting for construction, equipment, supplies, engineering or other services that constitute the Project financed by this Contract. The Recipient will maintain documentation in a Project file and submit the required forms, as described in the Safe Drinking Water Handbook. The Recipient will ensure that all prime contractors implement the good faith efforts for solicitation and contracting, and comply with all DBE procurement forms, statements, and reporting requirements. The Recipient agrees to apply the current regional fair share objectives.

The Recipient will ensure that each procurement contract includes the following term and condition:

“The contractor shall not discriminate on the basis of race, color, national origin or sex in the performance of this contract. The contractor shall carry out applicable requirements of 40 CFR part 33 in the award and administration of contracts awarded under EPA financial assistance agreements. Failure by the contractor to carry out these requirements is a material breach of this contract which may result in the termination of this contract or other legally available remedies.”

- (6) The recipient agrees that any reports, documents, publications or other materials developed for public distribution supported by this assistance agreement shall contain the following statement:

“This project has been funded wholly or in part by the United States Environmental Protection Agency under assistance agreement (number) to (recipient). The contents of this document do not necessarily reflect the views and policies of the Environmental Protection Agency, nor does the EPA endorse trade names or recommend the use of commercial products mentioned in this document.”

- (7) Incorporation by Reference. The above state and federal laws, rules, regulations and orders are incorporated by reference in this Contract to the extent required by law.

C. Project Completion Obligations. The Recipient shall:

- (1) When procuring professional consulting services, provide IFA with copies of all solicitations at least 10 days before advertising, and all contracts at least 10 days before signing.
- (2) Complete the Project using its own fiscal resources or money from other sources to pay for any Costs of the Project in excess of the total amount of financial assistance provided pursuant to this Contract.
- (3) Complete the Project no later than the Project Completion Deadline, unless otherwise permitted by the IFA in writing.
- (4) No later than the Project Closeout Deadline, provide IFA with a final project completion report on a form provided by IFA, including Recipient's certification that the Project is complete, all payments are made, and no further disbursements are needed; provided however, for the purposes of this Contract, IFA will be the final judge of the Project's completion.
- (5) [RESERVED]

D. Ownership of Water System. During the term of the Loan, the water system is and will continue to be owned by Recipient. The Project will be operated by Recipient or by a person under a management contract or operating agreement with Recipient. Any such management contract or operating agreement will be structured as a "qualified management contract" as described in IRS Revenue Procedure 97-13, as amended or supplemented.

E. Financial Records. The Recipient shall keep accurate books and records for the revenues and funds that are the source of repayment of the Loan, separate and distinct from its other books and records, and maintain them according to generally accepted accounting principles established by the Government Accounting Standards Board in effect at the time. The Recipient shall have these records audited annually by an independent certified public accountant, which may be part of the annual audit of all records of Recipient.

F. Inspections; Information. The Recipient shall permit IFA and any party designated by IFA: (i) to inspect, at any reasonable time, the property, if any, constituting the Project; and (ii) at any reasonable time, to inspect and make copies of any accounts, books and records, including, without limitation, its records regarding receipts, disbursements, contracts, investments and any other related matters, and financial statements or other documents related to its financial standing. The Recipient shall supply any related reports and information as IFA may reasonably require. In addition, Recipient shall, upon request, provide IFA with copies of loan documents or other financing documents and any official statements or other forms of offering prospectus relating to any other bonds, notes or other indebtedness of Recipient that are issued after the date of this Contract.

G. Records Maintenance. The Recipient shall retain and keep accessible all books, documents, papers, and records that are directly related to this Contract, the Project or the Financing Proceeds until the date that is three years following the later of the final maturity of the Lottery Bonds, or the final maturity or redemption date of any obligation, or series of obligations, that refinanced the Lottery Bonds, or such longer period as may be required by other provisions of this Contract or applicable law. Such documentation includes, but may not be limited to, all documentation necessary to establish the uses and investment of the Loan proceeds, all construction contracts and invoices detailing the costs paid from Loan proceeds, and all contracts related to the uses of the Project, including leases, management contracts, and service contracts that relate to the use of the Project.

- H. Economic Benefit Data. The IFA may require Recipient to submit specific data on the economic development benefits of the Project and other information to evaluate the success and economic impact of the Project, from the date of this Contract until six years after the Project Completion date. The Recipient shall, at its own expense, prepare and submit the data within the time specified by IFA.
- I. Professional Responsibility. All service providers retained for their professional expertise must be certified, licensed, or registered, as appropriate, in the State of Oregon for their specialty.
- J. Notice of Default. The Recipient shall give IFA prompt written notice of any Default as soon as any senior administrative or financial officer of Recipient becomes aware of its existence or reasonably believes a Default is likely.
- K. Indemnity. To the extent authorized by law, Recipient shall defend (subject to ORS chapter 180), indemnify, save and hold harmless IFA and its officers, employees and agents from and against any and all claims, suits, actions, proceedings, losses, damages, liability and court awards including costs, expenses, and attorneys' fees incurred related to any actual or alleged act or omission by Recipient, or its employees, agents or contractors; however, the provisions of this section are not to be construed as a waiver of any defense or limitation on damages provided for under Chapter 30 of the Oregon Revised Statutes or under the laws of the United States or other laws of the State of Oregon.
- L. Further Assurances. The Recipient shall, at the request of IFA, authorize, sign, acknowledge and deliver any further resolutions, conveyances, transfers, assurances, financing statements and other instruments and documents as may be necessary or desirable for better assuring, conveying, granting, assigning and confirming the rights, security interests and agreements granted or intended to be granted by this Contract and the other Financing Documents.
- M. Exclusion of Interest from Federal Gross Income and Compliance with Code.
- (1) The Recipient shall not take any action or omit to take any action that would result in the loss of the exclusion of the interest on any Lottery Bonds from gross income for purposes of federal income taxation, as governed by Section 103(a) of the Code. IFA may decline to disburse the Financing Proceeds if it finds that the federal tax exemption of the Lottery Bonds cannot be assured.
 - (2) The Recipient shall not take any action (including but not limited to the execution of a management agreement for the operation of the Project) or omit to take any action that would cause any Lottery Bonds to be "private activity bonds" within the meaning of Section 141(a) of the Code. Accordingly, unless Recipient receives the prior written approval of IFA, Recipient shall not permit in excess of ten percent (10%) of either (a) the Financing Proceeds or (b) the Project financed or refinanced with the Financing Proceeds to be directly or indirectly used in any manner that would constitute "private business use" within the meaning of Section 141(b)(6) of the Code, including not permitting more than one half of any permitted private business use to be "disproportionate related business use" or private business use unrelated to the government use of the Financing Proceeds. Unless Recipient receives the prior written approval of IFA, Recipient shall not directly or indirectly use any of the Financing Proceeds to make or finance loans to persons other than governmental units, as that term is used in Section 141(c) of the Code.
 - (3) The Recipient shall not directly or indirectly use or permit the use of any of the Financing Proceeds or any other funds, or take any action or omit to take any action, which would cause any Lottery Bonds to be "arbitrage bonds" within the meaning of Section 148(a) of the Code.
 - (4) The Recipient shall not cause any Lottery Bonds to be treated as "federally guaranteed" for purposes of Section 149(b) of the Code, as may be modified in any applicable rules, rulings,

policies, procedures, regulations or other official statements promulgated or proposed by the Department of the Treasury or the Internal Revenue Service with respect to “federally guaranteed” obligations described in Section 149(b) of the Code. For purposes of this paragraph, any Lottery Bonds will be treated as “federally guaranteed” if: (a) all or any portion of the principal or interest is or will be guaranteed directly or indirectly by the United States of America or any agency or instrumentality thereof, or (b) five percent (5%) or more of the proceeds of the Lottery Bonds will be (i) used in making loans if the payment of principal or interest is guaranteed in whole or in part by the United States of America or any agency or instrumentality thereof, or (ii) invested directly or indirectly in federally insured deposits or accounts, and (c) none of the exceptions described in Section 149(b)(3) of the Code apply.

- (5) The Recipient shall assist IFA to ensure that all required amounts are rebated to the United States of America pursuant to Section 148(f) of the Code. The Recipient shall pay to IFA such amounts as may be directed by IFA to satisfy the requirements of Section 148(f) applicable to the portion of the proceeds of any tax-exempt bonds, including any Financing Proceeds or other amounts held in a reserve fund. The Recipient further shall reimburse IFA for the portion of any expenses it incurs related to the Project that is necessary to satisfy the requirements of Section 148(f) of the Code.
- (6) Upon IFA’s request, Recipient shall furnish written information regarding its investments and use of the Financing Proceeds, and of any facilities financed or refinanced therewith, including providing IFA with any information and documentation that IFA reasonably determines is necessary to comply with the arbitrage and private use restrictions that apply to the Lottery Bonds.
- (7) Notwithstanding anything to the contrary, so long as is necessary to maintain the exclusion from gross income for purposes of federal income taxation of interest on any Lottery Bonds, the covenants contained in this subsection will survive the payment of the Loan and the Lottery Bonds, and the interest thereon, including the application of any unexpended Financing Proceeds. The Recipient acknowledges that the Project may be funded with proceeds of the Lottery Bonds and that failure to comply with the requirements of this subsection could adversely affect any exclusion of the interest on the Lottery Bonds from gross income for federal income tax purposes.
- (8) Neither Recipient nor any related party to Recipient, within the meaning of 26 C.F.R. §1.150-1(b), shall purchase any Lottery Bonds, from which proceeds were used to finance the Project, in an amount related to the amount of the Loan.

SECTION 9 - DEFAULTS

Any of the following constitutes an “Event of Default”:

- A. The Recipient fails to make any Loan payment when due.
- B. The Recipient fails to make, or cause to be made, any required payments of principal, redemption premium, or interest on any bonds, notes or other material obligations, for any other loan made by the State of Oregon.
- C. Any false or misleading representation is made by or on behalf of Recipient, in this Contract, in any other Financing Document or in any document provided by Recipient related to this Loan or the Project or in regard to compliance with the requirements of section 103 and sections 141 through 150 of the Code.

- D. (1) A petition, proceeding or case is filed by or against Recipient under any federal or state bankruptcy or insolvency law, and in the case of a petition filed against Recipient, Recipient acquiesces to such petition or such petition is not dismissed within 20 calendar days after such filing, or such dismissal is not final or is subject to appeal;
- (2) The Recipient files a petition seeking to take advantage of any other law relating to bankruptcy, insolvency, reorganization, liquidation, dissolution, winding-up or composition or adjustment of debts;
- (3) The Recipient becomes insolvent or bankrupt or admits its inability to pay its debts as they become due, or makes an assignment for the benefit of its creditors;
- (4) The Recipient applies for or consents to the appointment of, or taking of possession by, a custodian (including, without limitation, a receiver, liquidator or trustee) of Recipient or any substantial portion of its property; or
- (5) The Recipient takes any action for the purpose of effecting any of the above.
- E. The Recipient defaults under any other Financing Document and fails to cure such default within the applicable grace period.
- F. The Recipient fails to perform any obligation required under this Contract, other than those referred to in subsections A through E of this section 9, and that failure continues for a period of 30 calendar days after written notice specifying such failure is given to Recipient by IFA. The IFA may agree in writing to an extension of time if it determines Recipient instituted and has diligently pursued corrective action.

SECTION 10 - REMEDIES

- A. Remedies. Upon any Event of Default, IFA may pursue any or all remedies in this Contract, the Note or any other Financing Document, and any other remedies available at law or in equity to collect amounts due or to become due or to enforce the performance of any obligation of Recipient. Remedies may include, but are not limited to:
 - (1) Terminating IFA's commitment and obligation to make any further disbursements of Financing Proceeds under the Contract.
 - (2) Declaring all payments under the Note and all other amounts due under any of the Financing Documents immediately due and payable, and upon notice to Recipient the same become due and payable without further notice or demand.
 - (3) Barring Recipient from applying for future awards.
 - (4) Withholding amounts otherwise due to Recipient for application to the payment of amounts due under this Contract, pursuant to ORS 285A.213(6) and OAR 123-049-0040; however, this provision is not to be construed in a way that Recipient's obligations would constitute debt that violates Section 10, Article XI of the Oregon Constitution.
 - (5) Foreclosing liens or security interests pursuant to this Contract or any other Financing Document.
 - (6) Exercising any remedy listed in OAR 123-049-0040.
- B. Application of Moneys. Any moneys collected by IFA pursuant to section 10.A will be applied first, to pay any attorneys' fees and other fees and expenses incurred by IFA; next, to pay interest due on the Loan; next, to pay principal due on the Loan, and last, to pay any other amounts due and payable under this Contract or any of the Financing Documents.

- C. No Remedy Exclusive; Waiver; Notice. No remedy available to IFA is intended to be exclusive, and every remedy will be in addition to every other remedy. No delay or omission to exercise any right or remedy will impair or is to be construed as a waiver of such right or remedy. No single or partial exercise of any right power or privilege under this Contract or any of the Financing Documents shall preclude any other or further exercise thereof or the exercise of any other such right, power or privilege. The IFA is not required to provide any notice in order to exercise any right or remedy, other than notice required in section 9 of this Contract.
