

# TAX LOT INFO IS REQUIRED ON ALL PERMITS

Easily acquire the tax lot info from Columbia County Assessor's page;

<http://www.co.columbia.or.us/departments/assessors-office/assessors-property-records-online>

STEPS:

1. If you already have owner or address info; click the A&T Web Query (see yellow arrow); then enter info. Note; just select Scappoose then enter house number as streets could be NE or North East or Northeast.
2. For instructions on how to use the query; click the instructions link (see green arrow).
3. If you don't have an address or owner info; do the map search option (see blue arrow).

The screenshot shows the Columbia County Assessor's Office website. At the top, the logo for Columbia County is on the left, and contact information for the Courthouse is on the right. A navigation menu includes Home, About Columbia County, Departments, Jobs, Contacts, and Links. A search bar is located in the top right. The main content area is titled "Property Records Online" and includes a disclaimer, browser information, and three main sections: "A&T Web Query", "Columbia County Web Maps", and "Assessor's Office Menu".

### Property Records Online

*Disclaimer: These sites will let you search for and examine property in Columbia County, Oregon. The information used, is derived from the Columbia County Assessor's Tax Roll. The information is provided for informational purposes only. These are not the official records of the Assessor's Office. Columbia County does not guarantee the accuracy of information on this website; information is subject to change without notice. Any use of, or actions taken based upon, any of the information contained on or accessed through this website is done entirely at your own risk. Columbia County assumes no responsibility with regard to the selection, performance, or use of information on this website. By proceeding to the A&T Web Query or the Columbia County Web Maps, you agree that you understand this disclaimer.*

**IMPORTANT WEB BROWSER INFORMATION:** These programs will not run correctly with Chrome. You must use either Firefox or Internet Explorer.

#### A&T Web Query

This application allows you to search for property in several different ways, and gives you detailed assessment and tax data including updated tax payoff amounts. Ownership changes are updated, however, property that is segregated or combined for the next tax year will not be reflected in these records until the next tax roll is certified and added to the web query. **Note: When searching by situs address, it is best to enter only the house number to locate the record you are searching for.**

- By clicking here, you have read and agree to the above disclaimer and wish to proceed to the A&T Web Query.
- Instructions for the use of the A&T Web Query

(Click here to download Adobe Reader)

#### Columbia County Web Maps

This application allows you to search for property in several different ways, and includes the base cadastral map as well as several GIS layers. Only one year of data is available and it is the most current, non-certified assessment data. The assessment data is not as detailed as the A&T Web Query data, however, property that is segregated or combined for the next tax year will be shown.

- By clicking here, you have read and agree to the above disclaimer and wish to proceed to Columbia County Web Maps
